### PRESIDENT'S DAY WEEKEND

It's been a long time since we have done much skiing in the Methow Valley. This year with the economic, environmental, and fuel shortage trouble it seemed like the right place to visit over this holiday weekend. The first day we will ski Loop Loop Pass who's unique beauty lies in its woodsy feeling, with pine trees encroaching on the trails and camouflaging the hiding wildlife. At 4,000' above sea level the pass gets more snow than anywhere in the Methow and is surprisingly uncrowded. Sunday we will travel to the upper end of the Methow Valley to ski the Mazama Area. The trails here are relatively flat particularly in contrast to the towering North Cascades that encircle this end of the valley. Those who are interested in a hill climb can ski up into the Rendezvous system of trails. Then Monday we will travel to Leavenworth to ski the track systems there at the fish hatchery and golf course. This is a popular local destination probably because of the beautiful setting nestled at the feet of the Cascade mountains and bordering on the shores of the Wenatchee River. Everything is included for this trip, bring only your touring gear and personal items. Lodging, all your meals, and transportation for the three day trip, are all part of the package.

Come dressed for skiing Saturday, as we will stop at Loop Loop Pass on the way over. Lunch will be provided at the ski area upon our arrival. Then after spending the day skiing we will head for our lodging for a well deserved dinner, and opportunity to rest up for the rest of the holiday's adventures. Provided: lodging, all meals, transit. Dates 2/14-2/16 Cost \$326
